End Closeout Phase :	TBD		June 30, 2016
Anticipated Performance Outcome		Actual Performance Outcome	
Installing the EV charging station demonstrates the Town of Loomis' support for cleaner transportation, and affords the public a convenient and accessible way to park-and-ride, charge their EV, and use Placer County Transit. Estimated emission reduction <1%.		No change from the anticipated performance outcome. Remaining balance will be transferred to new project called "Loomis Transit Improvement Project," pursuant to CAP and new project application.	

Signature:

Celia McAdam, FAICP CTP, Executive Director PCTPA

Balance of \$38,723 (99313) + \$292 in interest to the Loomis Transit Improvement project.
